

UMEA Indoor and Outdoor Receptacles
Made in the USA

Designed by QDesign, UMEA is a new receptacle family unmatched in its versatility.

UMEA is suitable for both indoor and outdoor environments.

UMEA models can be 1, 2 or 3-compartments wide.

UMEA offers a choice of 3 customer-selectable top inserts, and 7 corresponding front graphics.

UMEA features locking front-door access, internal rigid liners and steel side panels.

UMEA'S optional features include a sloped or flat hood, choice of side panel cutouts, and a wood grain vinyl wrap.

UMEA offers a bright and broad color palette in order to create stunning visual combinations.

UMEA'S flat hood option can be fitted with tray pads for use in food service areas.

UMEA Top Inserts are available with three opening options.

Waste Opening
10 11/16" x 10 3/16"

Recycling Opening
5" Diameter

Paper Opening
2" x 14"

UMEA Bodies are each available in the following powder coat paint colors.

Sky White

Britebond Silver

Mineral Bronze

UMEA Top Inserts, Side Panels and Flat or Angled Hoods are available in the following powder coat paint colors.
