

KASKAD® CASTERS

Planters

Product Description

KASKAD® CASTERS – bringing mobility to the KASKAD family.

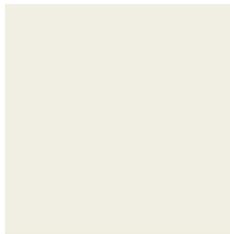

Integrated casters provide flexibility to allow the planters to be quickly rearranged and adapt to the needs of multi-use space. The footed design provides stability for movement while echoing the subtle softness of KASKAD. With the growing demand for biophilic design in workplace, healthcare, and other environments, KASKAD CASTERS enables fast deployment and easy reconfiguration of living plants within a space.
