

KASKAD® Planters

Product Description

KASKAD® is a family of planters that brings modularity, design and elegance to any space. Designed to stand alone or work together in combination, KASKAD® serves as a flexible and highly adaptable planter solution. KASKAD® is manufactured from powder-coat painted steel and available in 3 heights and 5 unique shapes – 1 square, 3 rectilinear and 1 parallelogram. Available in 10 finish colors – all KASKAD® units come standard with adjustable glides and a removable liner for plant material. KASKAD® planters are for indoor use. Designed by QDesign. Made in the USA.

Specifications & Finishes
