## Product Specifications

# UMEA®

Magnuson Group provides a unique blend of excellent product design, quality, value and customer service. We have built our name by designing, manufacturing and marketing the industry's finest products within our focused niche of support furniture and accessory products. We represent the contract furniture market's most complete line of high-design accessories and support furniture for commercial facilities.

## Design Story

Designed by QDesign, UMEA® is a new receptacle family unmatched in its versatility. Constructed of painted steel and suitable for both indoors and outdoors, UMEA® models can be 1, 2 or 3-compartment wide - each with selectable top inserts and corresponding front graphics. Made in the USA.

### UMEA® SAMPLE CONFIGURATIONS

### UMEA® MULTI-LINGUAL PICTOGRAM LABELS

### UMEA® OPTIONAL SIDE-PANEL CUTOUTS

### UMEA® TOP-OPENING OPTIONS

## Customer Service

Magnuson Group is proud of its reputation of providing outstanding customer service. We listen to your questions, concerns and opinions respectfully and will always try to assist our customers efficiently and most importantly in a friendly manner.

## HOW TO ORDER UMEA®

When ordering UMEA®, a model and a selection must be made from each option below and noted on the order. Special notes are as follows:

- UMEA® is available with optional side panel cutouts for an upcharge. Select one only from options below - cutout will be on both side panels.
  1. Waste cutout
  2. Recycling Arrows cutout

**Order Examples:**

- Model # UMEA-10**  
 #1 Sky White Body  
 #2 Waste - Marine Blue  
 #3 Marine Blue - Side Panels  
 #4 Waste Graphic - Vivid Blue  
 #5 No Cutouts

- Model # UMEA-21**  
 #1 Signal Grey  
 #2 Waste - Marine Blue  
 Recycling - Clementine Orange  
 #3 Sky White Side Panels & Flat Hood  
 #4 Waste Graphic - Vivid Blue  
 Recycling Graphic - Bright Orange  
 #5 Waste Cutout in Side Panels

## UMEA® MODELS & SPECIFICATIONS

Model #	H x W x D	Shipping Weight	Product Description
UMEA-10	35 1/2" x 22" x 18 1/2"	72 lbs.	Single 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Single top opening.
UMEA-11	44 3/4" x 22" x 18 1/2"	96 lbs.	Single 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Single top opening with flat hood.
UMEA-12	46 3/4" x 22" x 18 1/2"	101 lbs.	Single 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Single top opening with angled hood.
UMEA-20	35 1/2" x 40" x 18 1/2"	140 lbs.	Double 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Two top openings.
UMEA-21	44 3/4" x 40" x 18 1/2"	164 lbs.	Double 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Two top openings with flat hood.
UMEA-22	46 3/4" x 40" x 18 1/2"	169 lbs.	Double 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Two top openings with angled hood.
UMEA-30	35 1/2" x 58" x 18 1/2"	203 lbs.	Triple 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Three top openings.
UMEA-31	44 3/4" x 58" x 18 1/2"	227 lbs.	Triple 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Three top openings with flat hood.
UMEA-32	46 3/4" x 58" x 18 1/2"	232 lbs.	Triple 40 gallon compartment waste receptacle with internal rigid liner and locking front opening. Three top openings with angled hood.

## UMEA® PRODUCT OPTIONS

### Body Colors

- Sky White
- Signal Grey
- Mineral Bronze
- Black Grey

### Icon Graphic Colors

- White Vinyl
- Dark Grey Vinyl
- Cactus Green Vinyl
- Vivid Blue Vinyl
- Sunflower Vinyl
- Bright Orange Vinyl
- Black Vinyl

### Side Panel/Hood Colors

- Sea Green
- Sky White
- Signal Grey
- Mineral Bronze
- Marigold Yellow
- Marine Blue
- Clementine Orange
- Black Grey

### Top Opening Choices

- Waste Opening is 10 11/16" x 10 3/16"
- Paper Opening is 2" x 14"
- Circle Opening is 5" Diameter

### Multi-Lingual Pictogram Label Options

### Optional Side-Panel Cutouts or Advertising Panel

\*\* Physical finish chips are available, please contact Customer Service for details.

### Locally Sourced

Magnuson Group recognizes the increase in demand for building materials and products that are extracted and manufactured within the region, thereby supporting the use of indigenous resources and reducing the environmental impacts resulting from transportation.

- 99% of UMEA® materials are sourced within 95 miles of MG HQ
- 1% of UMEA® materials are sourced outside 95 miles of MG HQ

### LEED v4

UMEA® contributes to various LEED prerequisites & credits. Specific products cannot be LEED-certified, but they can support LEED criteria. For general questions about LEED, please [contact USGBC](#)

## LEED V4 - ENVIRONMENTAL PROFILE & ATTRIBUTES

Program	Category & Item	Contribution
Interior Design + Construction	Materials + Resources	Storage & Collection of Recyclables
	Indoor Environmental Quality	Low-Emitting Materials
Building Design + Construction	Materials + Resources	Storage & Collection of Recyclables
	Indoor Environmental Quality	Low-Emitting Materials - Systems Furniture & Seating
Building Operations + Maintenance	Materials + Resources	Solid Waste Management - Ongoing Consumables

## MAGNUSON GROUP CERTIFICATIONS

### Indoor Advantage Gold Certification (SCS)

Indoor Advantage Gold certification is SCS Global Services' highest level of indoor air quality performance for furniture. The certification assures that furniture products support a healthy indoor environment by meeting strict chemical emission limits for volatile organic compounds (VOCs). To be certified, products must be tested by independent labs for compliance with the ANSI/BIFMA X7.1, and either ANSI/BIFMA e.3 or CDPH/EHLB Standard Method V1-1 for VOC emissions of concerns.

### US Green Building Council (USGBC)

Magnuson Group is a proud member of the US Green Building Council (USGBC), which supports the advancement of the latest in innovative building practices & minimalizing environmental impact for a more sustainable built environment.

## MAGNUSON GROUP GENERAL SUSTAINABILITY PRACTICES

Magnuson Group recognizes the importance of being good stewards to the earth. We incorporate positive environmental processes into all facets of the company. Whether the process is administrative in nature, or is in manufacturing, Magnuson Group strives to ensure that environmental concerns are made a part of the system. Some specifics include:

# UMEA® Environmental Information

## MANUFACTURING PRACTICES

### Manufacturing Process

The manufacturing process with UMEA® starts with partially recycled steel. The cold rolled carbon steel is formed and given a paint color with a low emitting powder coating.

All steel is sourced locally, within 95 miles of Magnuson Group’s headquarters in Woodridge, IL, where final assembly occurs. Magnuson Group’s vendors are carefully selected based on craftsmanship, location and environmental practices among other considerations.

## MAINTENANCE & USE & DISPOSAL

### Cleaning

UMEA® can be cleaned using a damp cloth and mild non-abrasive cleaner.

### Ergonomic

Product is designed for ergonomic use, which will continue to service life.

### Recycling

At the end of its life cycle, UMEA® can be disassembled and recycled. The body is made primarily of steel, one of the most recycled materials on the planet, and the internal rigid liner is made of plastic, which is also easily recyclable. Receptacle is designed to maximize recycling rates through design, graphics, and signage placement.

## MAGNUSON GROUP GENERAL SUSTAINABILITY PRACTICES

Magnuson Group recognizes the importance of being good stewards to the earth. We incorporate positive environmental processes into all facets of the company. Whether the process is administrative in nature, or is in manufacturing, Magnuson Group strives to ensure that environmental concerns are made a part of the system. Some specifics include:

	Type	Description
	Steel	All steel scrap is 100% recycled. Steel is manufactured with 30-40% post consumer material and is 100% recyclable.
	Wood	Magnuson Group strives to always source wood from F.S.C. sources.
	Plastics	Plastics are 100% recyclable.
	Fabrics	Fabrics are manufactured from 100% post consumer materials, and is fire rated to: ASTM E-84 Class 1 or A.
	Aluminum	All aluminum scrap is 100% recycled. Aluminum comes from 10-20% post consumer material and is 100% recyclable.
	Packaging	Packaging comes from a minimum of 35% post consumer material and is 100% recyclable.
	Paints	All paints used are certified to be of low VOC content < 50g per liter. They emit no hazardous air pollutants (HAP) or noxious fumes when exposed to fire NFPA 704 Health = 1, Fire = 1, Reactivity = 0.
	Import	We import products from various countries in Europe. Most but not all are certified ISO 9001-14001 Environmental Management Systems. Please contact us if you need further information.
	Paper	All paper and packaging waste is 100% recycled.
	Plating	Plating is kept to the absolute minimum. Our plater’s meet or exceed all Illinois EPA, Federal EPA, and OSHA mandated standards; all plating is RoHS compliant. Our plating emits no hazardous air pollutants (HAP) or noxious fumes when exposed to fire. We certify that there is no asbestos in any of the products we manufacture or import for sale.
