E-Z FREIGHT PROGRAM

Magnuson Group now offers two options for calculating freight charges.

OPTION ONE: Calculate your freight charges using E-Z Freight as follows: Add 10% of the total order list price for all products to calculate the freight charge.

EXAMPLE:

3 OR-4A @ $955.00 = $2,865.00
1 DS-4H @ $296.00 = $296.00
$3,161.00

Total List: $3,161.00 x 10% = $316.10

Enter this amount on your order as E-Z Freight.

If E-Z Freight is not noted on your Purchase Order, actual freight will be charged. E-Z Freight applies to the 48 continental states only. Your order must be at least $200 list to use this program.

A minimum charge of $195.00 for truck shipments applies.

E-Z Freight calculations are for normal dock delivery only and do not include accessorial charges, such as "Liftgate Service", "Inside Delivery", etc. which will be billed in addition to the E-Z Freight charges. Contact Customer Service for more information.

OPTION TWO: Contact Customer Service at 800-342-5725 for a freight quote. Note the freight amount on your purchase order.

CUSTOM WIDTH & PRICING

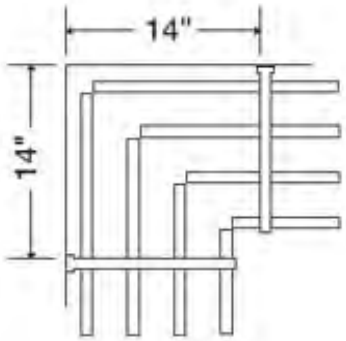
Villa Wall Racks are made to order with custom widths available to the nearest whole inch. Magnuson Group does not size to fractional inches (i.e. 12' 8 ¾" wide would be instead cut to 12' 8" wide).

When determining the model that corresponds to the custom width specified, round up to the nearest foot. For example, a 12' 3" wide WH01A unit would be priced using model WH01A-13 – this pricing would be the same for any WH01A unit with a width between 12' 1" and 13'.

MITRED CORNERS

For continuous shelving in L or U shaped wall configurations, Mitred Corners are available. Exact dimensions of each wall are required for pricing.

$105.00 per corner per shelf.



ADDITIONAL NOTES

Ships UPS where possible, otherwise Common Carrier is used.

Custom Villa WH01-A units accept standard 1-1/2" open hangers, CL closed loop hangers or R1.5 receptacles with MG17PP T-Top or MG17B ball top hangers.

CUSTOM WIDTH & PRICING

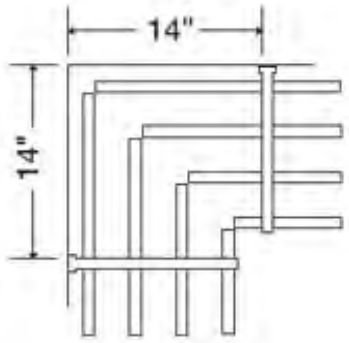
Villa Wall Racks are made to order with custom widths available to the nearest whole inch. Magnuson Group does not size to fractional inches (i.e. 12' 8 ¾" wide would be instead cut to 12' 8" wide).

When determining the model that corresponds to the custom width specified, round up to the nearest foot. For example, a 12' 3" wide WH02A unit would be priced using model WH02A-13 – this pricing would be the same for any WH02A unit with a width between 12' 1" and 13'.

MITRED CORNERS

For continuous shelving in L or U shaped wall configurations, Mitred Corners are available. Exact dimensions of each wall are required for pricing.

$105.00 per corner per shelf.



ADDITIONAL NOTES

Ships UPS where possible, otherwise Common Carrier is used.

Custom Villa WH02-A units accept standard 1-1/2" open hangers, CL closed loop hangers or R1.5 receptacles with MG17PP T-Top or MG17B ball top hangers.

For pricing on longer lengths, contact Customer Service.

CUSTOM WIDTH & PRICING

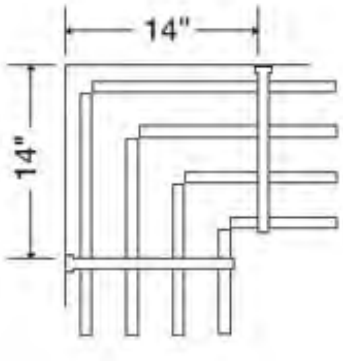
Villa Wall Racks are made to order with custom widths available to the nearest whole inch. Magnuson Group does not size to fractional inches (i.e. 12' 8 ¾" wide would be instead cut to 12' 8" wide).

When determining the model that corresponds to the custom width specified, round up to the nearest foot. For example, a 12' 3" wide WK01A unit would be priced using model WK01A-13 – this pricing would be the same for any WK01A unit with a width between 12' 1" and 13'.

MITRED CORNERS

For continuous shelving in L or U shaped wall configurations, Mitred Corners are available. Exact dimensions of each wall are required for pricing.

$105.00 per corner per shelf.



ADDITIONAL NOTES

Ships UPS where possible, otherwise Common Carrier is used.

Custom Villa WK01A units include triple prong hooks secured to 2nd and 4th tubes from the front.

For pricing on longer lengths, contact Customer Service.

Sample chips available.

Submittal drawings available upon request.

Hardware to secure the mounting brackets to the wall is not included due to the variety of possible surface applications.

ADDITIONAL NOTES

PRODUCT APPLICATION & CUSTOM WIDTH

The Custom Villa Hook Strip can be used as a standalone product, mounted to the wall with brackets and used as a hook strip.

The Custom Villa Hook Strip can also be used below other Villa wall rack models, to provide coat, hat, bookbag or other storage below the shelf.

Villa Wall Racks are made to order with custom widths available to the nearest whole inch. Magnuson Group does not size to fractional inches (i.e. 12' 8 ¾" wide would be instead cut to 12' 8" wide).

When determining the model that corresponds to the custom width specified, round up to the nearest foot. For example, a 12' 3" wide WEX unit would be priced using model WEX-13 – this pricing would be the same for any WEX unit with a width between 12' 1" and 13'.

ADDITIONAL NOTES

Ships UPS where possible, otherwise Common Carrier is used.

Custom Villa WEX hook strips can be stand alone or be incorporated with any WH, WK or WU wall rack.

When used alone, hook strips are mounted on a 13 1/2" wall mount.

The rail bracket, the component that attaches the hook rail to the wall mounted u-channel bracket, is always painted black.

For pricing on longer lengths, contact Customer Service.

Sample chips available.

Submittal drawings are available upon request.

Hardware to secure the mounting brackets to the wall is not included due to the variety of possible surface applications.

HOW TO ORDER

#1

Determine
Width/Model

Example Order: USR1000-6 - 5' 9" wide USR 1000 under shelf rod with Medium Grey Brackets and Stainless Steel Rod.

ADDITIONAL NOTES

CUSTOM WIDTH & PRICING

Burr Under Shelf Rods & Brackets are made to order with custom widths available to the nearest whole inch. Magnuson Group does not size to fractional inches (i.e. 3' 8 ¾" wide would be instead cut to 3' 8" wide).

When determining the model that corresponds to the custom width specified, round up to the nearest foot. For example, a 4' 3" wide USR unit would be priced using model USR-5 – this pricing would be the same for any USR unit with a width between 4' 1" and 5'.

ADDITIONAL NOTES

Ships UPS where possible, otherwise Common Carrier is used.

USR undershelf rod and brackets sets must be mounted to underside of existing shelf.

For pricing on longer lengths, contact Customer Service.

Sample chips available.

Submittal drawings are available upon request.
