For over 90 years, the Magnuson family has been providing a unique blend of excellent product design, quality, value and customer service. As a small business, we have built our name by designing and manufacturing the industry's finest products within our focused niche of ancillary furnishings, many of which are made in the USA. We bring decades of experience helping public sector clients furnish their spaces and establish receptacle and planter standards programs across buildings and campuses.

Capabilities

Magnuson Group Manufacturers the following types of high performance ancillary furnishings:

- Indoor/Outdoor Waste & Recycling Receptacles
- Indoor/Outdoor Planters
- Outdoor Chairs & Tables
- Sanitization & PPE Stations
- Crowd Control Stanchions
- Freestanding/Wall Mounted Literature & Brochure Displays
- Coat Storage (Coat Racks, Coat Trees, Coat Hooks, Coat Hangers)
- Showcases
- Desk Accessories (Desk Pads, Dividers)
- Umbrella Stands

Differentiators

Magnuson Group's product line includes a comprehensive collection of high design, functional, support furniture and accessory products for indoor and outdoor spaces – a single small business source for a broad collection of support furniture products, many of which are Made in the USA. Magnuson Group has also invested in electronic tools to simplify the design and specification process (CET Extension, Product Configurators, Product Animations and more). Finally, Magnuson Group's best-selling waste & recycling receptacles and planters are SCS Indoor Advantage Gold Certified.

Past Performance

- Department of Defense All Entities (Army, Air Force, Navy, Marines)
- Veterans Affairs
- Department of Justice - US District Courts
- Central Intelligence Agency
- Federal Aviation Administration
- National Institute of Health
- Federal Bureau of Investigation
- John F. Kennedy Space Center
