NEW PORT is a flexible, versatile tool rail system made of powder-coated aluminum & steel that can be configured in a number of different ways - and works in a number of different environments - to create a clean, organized, personal workspace. Here is a brief summary of NEW PORT'S flexibility & modularity –

1. Varying lengths of tool rail
2. Available with or without privacy screens
3. Privacy screens can be 1 of 4 materials - acoustic fabric, melamine, writeable glass, or opaque glass
4. Mountable at 3 different heights to the desk
5. Mountable within one-sided or two-sided desk configurations
6. Can accommodate multiple NEW WAVE accessories
