1. **Painted Steel Sign Holder with MG Magnetic Graphics (SIGN-MAG-R/P)** – The 8" x 12" MG magnetic graphic is applied directly to the painted steel sign holder, leaving no painted steel exposed. Each unique graphic is available in 4 glossy colored finishes. This magnetic graphic can be either **removable** (magnetic) or **permanent** (secured to deter theft).
2. **Painted Steel Sign Holder with Acrylic Front and Customer Created Graphic Insert (SIGN-ACR)** – A removeable acrylic cover allows for the use of custom signage using 8 ½" x 11" sized media (or smaller). This flexible option provides the ability for customer designed & produced signage.
