VALUTA LAMINATE Care & Maintenance

Three steps for the everyday care and maintenance of Formica® products.

1. Use a clean, damp, non-abrasive cotton cloth and a mild liquid detergent or household cleaner. Clean the soiled area using a rotating motion.
2. Next, rinse with clean water, using a non-abrasive cotton cloth. Please take care not to flood the laminate, especially near seams, since water can penetrate and cause the substrate to swell.
3. Dry the surface with a soft, clean, non-abrasive cotton cloth.

Optional VALUTA LAMINATE Signage

- **L-SIGN-ACR:** A painted steel sign holder with removeable acrylic cover allows for the use of custom signage using 8 1/2" x 11" sized media (or smaller).
- MG magnetic (**L-SIGN-MAG-R**) & permanent (**L-SIGN-ADH-P**) graphics can be used in combination with the Multi-Lingual Labels. These graphics are applied to painted steel sign holder. Each unique graphic is available in 4 colored finishes with White Text, or a white finish with a Dark Grey Text.
